Activity: DIY Fossils

MAKE SURE YOU HAVE YOUR GROWN UPS PERMISSION

DIY FOSSILS

For 2 Fossils

1/2 cup flour

1/4 cup salt

1/4 cup cold water

For 8 Fossils

2 cups flour

1 cup salt

1 cup cold water

Mix ingredients until it turns into dough

Shape into balls

Place on a floured surface

Flatten the balls like a patty

Put flour on your object and press into dough

Bake at 250 for 2 hours or until hard

Don't have dinosaurs?

Use anything you have around the house!

I used a rose from an old lamp
and a little hand.

Pebble Go

The Ultimate Dinosaur Experience

Gain access through BPL: [here](#)

A screenshot of the Pebble Go website. The top navigation bar includes the Pebble Go logo, a search bar, a language selector set to 'Español', and a 'capstone' dropdown. Below the navigation bar is a breadcrumb trail: Home > Animals > Dinosaurs > Diplodocus. The main content area is titled 'Diplodocus' and has tabs for 'Body', 'Habitat', 'Food', 'Behavior', 'Fun Facts', and 'Read More'. The 'Body' tab is selected, showing text about the dinosaur's size and features, accompanied by an image of a Diplodocus. At the bottom, there are icons for 'Print', 'Media', 'Cite', 'Article', 'Activities', and 'Range'.
