

And the branch on the tree  
and the tree in the hole and  
the hole in the ground,  
And the green grass grows  
all around, all around,  
And the green grass grows

all around.

And on this branch, there was a nest.  
The prettiest nest that you ever did see.  
And the nest on the branch, and the branch  
on the tree, and the tree in the hole, and the  
hole in the ground  
And the green grass grows all around, all  
around  
And the green grass grows all around.

And in the nest, there was a bird.  
The prettiest bird that you ever did see.  
And the bird in the nest and the nest on the  
branch and the branch on the tree and the  
tree in the hole and the hole in the ground  
And the green grass grows all around, all  
around  
And the green grass grows all around.

### **Lullaby: Sleep Baby Sleep**

Sleep baby sleep.  
The cottage veil is deep.  
The little lamb is on the green,  
With snowy fleece so soft and clean.  
Sleep, baby, sleep.  
I would not, would not weep.  
The little lamb she never cries  
And bright and happy are her eyes.  
Sleep, baby, sleep.

### **And the Green Grass Grows All Around**

There was a tree, a pretty little tree.  
The prettiest tree that you ever did see.  
And the tree in the hole and the hole in the  
ground,  
And the green grass grows all around, all  
around,  
And the green grass grows all around.

And on this tree, there was a branch,  
The prettiest branch that you ever did see.
