

Down on the Farm Pig Headband

Supplies included in kit:

Long rectangle strips (2)
Pink half circle
Small black circles (2)
White oval
Pink ovals (2)
Pink triangles (2)

Supplies needed from home:

Tape or glue
Paper clips (optional)

Instructions:

Tape or glue the two rectangle strips together to form one long strip.

Make face using half circle. The rounded part of half circle is the top. Tape/glue two black circles (eyes), two pink triangles (ears), white oval/two pink ovals (nose) onto half circle.

Tape/glue face onto center of the long rectangular strip, lining up bottom of face with edge of strip.

Fit strip around head and secure open ends together with paper clips, glue, or tape.

Down on the Farm Barnyard Scene

Supplies included in kit:

Green construction paper
Barn cut-out
Black rectangle
Red rectangle
Coloring sheet

Supplies needed from home:

Crayons or markers
Glue or tape
Scissors

Instructions:

Color and cut out farm animals, cloud, and sun.

Place red rectangle on back of barn, directly behind the doors. Using tape or glue, attach the top edge of rectangle to back of barn, above doors. Attach the side edges to barn just past the edges of door. Do not glue red rectangle onto the barn doors, or they won't open.

Glue/tape black rectangle to front of barn above doors. This will be the window. Glue/tape barn to green construction paper.

Decorate your barnyard scene by gluing on the animals, sun, and cloud cut out from the coloring sheet. You can also draw on other animals, trees, flowers, etc.

Don't forget to hide an animal inside the barn doors! To open doors, fold each door outward on solid line.
