Dear Rebekah,

In answer to the question, "How would my involvement on the Library Board benefit the Baldwin Public Library?" I would respond that my love and enthusiasm for the ideas, stories & wonders that we have available at the Baldwin Public Library and enjoyment of living here in Birmingham, interacting with the people would spark and encourage conversation, understanding and community spirit. I would hope to harness the energy I have in those areas to benefit the library and our community.

Sincerely,

Mysander Harris
