4. Library Report:

Craft and Miller provided highlights from the Library Report, which can be found on pages 35 – 45 of the April Board packet.

Craft reviewed the quarterly Strategic Plan Status Report, which can be found on page 36 of the April Board packet. Key metrics explanations are given on page 37 of the Library Report. Goals have been revised conservatively from pre-pandemic expectations. Craft noted her pride in staff's ability to pivot programming toward virtual and take-home activities. Total gate count and volunteer hours are off target due to limited access to the building. Circulation, interlibrary loans, database sessions and downloadable resources have seen an increase, while gate count and volunteer hours are down.

The Library closed to the public March 26-29 and April 24-28 after staff members tested positive for COVID-19. She noted that while this is inconvenient to the public and chaotic for staff, temporary closures offer a level of peace of mind, allows for deep cleaning and disinfecting of the building, and is in line with the standard practice of libraries in the region. As of this meeting, 82% of staff have received at least the first dose of the COVID-19 vaccine.

Since April 2, staff have taken rotating shifts as a front door greeter to emphasize proper mask usage and current Library time and capacity limits. The greeter keeps track of occupancy and has masks available for patron usage within the building.

Newspapers have been moved to a cart outside the front entrance for patrons to read in the outdoor vicinity of the Library. A selection of book sale items, craft kits, and tax forms have also been moved to the front entrance.

MIOSHA has extended emergency rules regarding working from home and staff workstation social distancing of 6-feet apart. Remote work is still enabled for staff who can perform their jobs from home, and the Rotary Room will continue to be used for staff workspaces until October.

Adult Services Librarian Mick Howey has been promoted to full-time. Interviews will be conducted in the next two weeks for a part-time Adult Services Librarian to fill the vacancy created by Howey's promotion. Prospective candidates for full-time Network Administrator will be interviewed soon.

Asian American and Pacific Islander (AAPI) Heritage month will be celebrated in May at the Library. Youth Services is promoting a AAPI Heritage Reading Challenge through Beanstack. Programming and book displays will highlight AAPI authors and material.

A solution is being investigated for the Youth Room terrace door, which continues to blow open during high winds.

Wheeler commented that during the last Birmingham Public Schools (BPS) meeting, the Library was mentioned several times in regards to the Summer Reading program and the recent extension of Library cards to all BPS students. She also noted that Idea Lab Supervisor Jeff Jimison will be meeting virtually with local Cub Scout chapters, and will also be 3D-printing neckerchief holders for them.

Craft thanked Carney and the Friends for their donation of \$15,000 toward the Library's Spring wish-list.
