

The Women in Architecture collection was developed by a Michigan Architectural Foundation (MAF) committee in 2020 and features non-fiction books about women working in architecture. The mission of the Rae Dumke Fund is to promote architecture to the public. Ms. Rae Dumke is the former Executive Director of MAF, AIA Michigan (American Institute of Architects Michigan), and AIA Detroit.

The members of the selection committee were Alan Cobb, Albert Kahn Associates; Rae Dumke, Honorary AIA; Doug Koschik, Baldwin Library; Jeffrey Ryntz, Saroki Architecture; and Karen Swanson, Karen Swanson Design. Through an endowment fund set up with the Baldwin Public Library Trust, this collection was purchased for and will be housed at Baldwin, with the understanding that the books will be available not only to Baldwin cardholders, but also nationwide through interlibrary loan. The collection is updated on a regular basis.
